22 IT IS HEREBY STIPULATED, by and between the parties to this action, that the sentencing  
23 date in this case, currently scheduled for Friday, March 16, 2007, at 10:00 a.m., may be continued to  
24 Friday, April 20, 2007, at 10:00 a.m. The reason for the requested continuance is that the final pre-  
25 sentence report was not disclosed until one week before the scheduled sentencing date and defense  
26 counsel was out of the state and did not return until three days prior to sentencing. There may be  
contested sentencing issues and defense counsel needs time to file a sentencing memorandum to  
address all of the issues. In addition, government counsel will be in trial starting March 19, 2007.

Counsel has spoken to United States Probation Officer Karen Mar who does not object to the

1 requested continuance.
